Modification to AOC 12 14 2016 (3).docx

Hi Adam,

The content on this Modification is fine. I updated the EPA signature block. I don't like the formatting, but I couldn't change it. Maybe your administrative personnel could fix it. Can we get the first paragraph or two onto the page with the heading? I'd prefer that, but go ahead and get it executed either way.

Thanks,

Josh

Josh – We're running out of 2016. Were you going to send me a final executable draft?

Josh – With less than 2 months left in the year, I am forwarding the attached proposed Second Modification to the AOC, extending the termination date from 12/31/2016 to 12/31/2019. This would be consistent with our prior discussions on this topic. The attached redline tracks changes from the last Modification entered into on July 22, 2013.

Please let me know if the attached draft is acceptable to EPA.

Josh – I've left a couple of voice mails for you since we spoke on June 2 about modifying the AOC (CERCLA Docket No. 2008-29(a)) to extend the termination date past 12/31/2016. Please call me or send an email proposing a time when we can discuss this issue. If it would be helpful, I can draft up a simple modification extending the termination date by three years (through 12/31/2019), similar to what was done in July 2013.
